Roots & Talks

TURKISH TOGETHER

4-6 years · 10 minutes

A creature nobody has seen

Draw your creature. What does it like, and how does it move?

Imagine your creature here.

Where does it live?

What does it like?

Try it together

1. Draw your imaginary creature in the main space.
2. Add its food and home in the smaller spaces.
3. Ask each other one question about your creatures. Writing is optional.

What would your two creatures do when they met?
